

"The ability to take mock, full-length practice tests with rapid-scoring helped us assess our son's strengths and weaknesses. The tutors you sent to our home were terrific, motivating him to ensure high test scores and improved study habits."

Larry T., Father of Graham

Urban Students: Try the ACT!

Presented by Compass Education Group

The ACT is an increasingly popular alternative to the SAT. Students should carefully consider which option suits them better. We have scheduled a practice ACT to help you determine whether this test is a potentially good option for you.
