

Dear Urban Alum,

I hope you are having a terrific year so far! I just finished my fall semester as a junior at the Dominican University of California where I am studying education - a path inspired by my incredible high school teachers. This fall my younger sister started at Urban and seeing her thrive and grow continues to remind me what a wonderful school it is and how lucky we are to have had such an incredible high school education.

I am increasingly thankful for the preparation that Urban gave me, and hope you are too. The abilities to think critically, self-reflect, and ask questions are life-long skills we can use both personally and professionally.

Thank you again for participating in your Class Endowment Fund with your promise to give \$10 a year for 5 years toward this effort. This is just a friendly reminder to submit your next installment for the 2013-14 school year. Your continued support means a lot to Urban and demonstrates your appreciation for the education you received and the memories you created here. Your participation also strengthens Urban's endowment to support the teachers, programs and traditions that make Urban the school we know and love.

Your support means a lot to Urban and demonstrates your appreciation for the education you received, the faculty who cared so much about you, and the memories you created here.

Best wishes for a wonderful holiday season, and I hope to see you at a future Urban alumni event!

Sincerely,

A handwritten signature in blue ink that reads "Alyssa Mitchel".
