

Senior Parent/Guardian Summer Questionnaire

1. What are the first adjectives that come to mind when you think about your student?
2. Describe a moment that reveals your child's individual qualities, characteristics, or personality.
3. Putting aside the academic resume, what about your student brings you the most pride?
4. Is there something that you want to make sure we know about your student that we might not know?
5. Are there family circumstances that have affected your student's performance in high school that colleges should know about?
